Message from the Assistant Principal

Rebecca Gagnon

Hello Families and Friends,

We have successfully made it through mid-term exam week - the marking of the end of our first semester. High school students really stayed focused throughout the exams and we are very proud of their accomplishments. For some, there are still competencies that need to be completed. The window for completion will remain open with a goal that they are finished by progress reports during the third quarter.

Today our building was full of middle school excitement as we welcomed sixteen engaging presenters to share with us their diverse and dynamic careers. New Hampshire Supreme Court Justice Gary Hicks launched our Career Fair with a keynote address that entertained, engaged, and challenged our students to catch their dreams and always act with kindness. Students then received a schedule that identified three careers they would learn more about in small groups. (The schedules were made from choices each student selected earlier.) Public Health, law, agriculture, transportation, engineering, public safety, arts, and sports are just a few of the career areas our students had a chance to explore and learn more about. Our sincerest thanks and gratitude is extended to the speakers who took time out of their busy days to share their occupations with our future leaders.

There is a high school semi-formal dance tomorrow night from 7-10pm. It will be hosted at Harold Martin Elementary School.

High school students will receive a copy of their semester 2 schedule in their mailboxes on Monday; middle schoolers were given copies today in advisory.

The "20 – 20" Line: Are you or someone you care about having a problem? Are you unable or uncomfortable to come into school to communicate it? The middle school guidance office has a private phone line where individuals can leave a confidential message about a non-academic student issue. The guidance counselor will listen to the message and determine the appropriate avenue of help. This is a great way to seek support for yourself or someone you care about. It's simple. Just call the "20-20" line (746-2020) and leave a message.
