MEMORANDUM

TO: Staff
FROM: Mr. Kelley
SUBJECT: 11th Grade Science NECAP Test
DATE: April 30, 2009

**Due to a Civics field trip that is scheduled for Friday, May 15th we need to move the NECAP testing scheduled for Friday, May 15th to Monday May 18th.* The testing will take place on May 13th, 14th, & 18th. All eleventh grade students are required to participate. Please remind students who attend the classes at the Concord Regional Technology Center will not be going to Concord on the days of testing.

The test dates and times can be seen in the table below. The test will be administered in the auditorium. Please remind students to be on time. Students will be seated alphabetically. When students enter the auditorium, they will find the tables with their name on it and take a seat. Please remind students to bring a book to read in the event you finish your test before others. Students will not be allowed to leave the auditorium until everyone is finished with his or her test.
