Message from the Principal

Christopher M. Kelley

Good Afternoon:

It's hard to believe that half of the school year is over already and that we have started the second semester.

Please take a minute to click this link and learn more about the NH Department of Health and Human Services advisory regarding norovirus:

<http://www.hopkintonschools.org/hhsprincipal/Norovirus.pdf>

Tonight the Unified Basketball team will play at 7:00 PM in the high school gym. Come out and support our Hawks Unified Basketball team.

There is no school on Monday, February 6th. Tuesday, February 7th will be a Day 2 and a Z Block Day.

Students that wish to make a change with their second semester schedule have until Feb. 8th to do so. Students can make an appointment in Guidance.

There will be a public hearing on the School District Budget on Wednesday, Feb. 8th. The hearing will begin at 6:30 PM and it will be held in the high school auditorium.

Report cards will be given to students next Friday, Feb. 10th.

Enjoy the weekend!

The “20 – 20” Line: Are you or someone you care about having a problem? Are you unable or uncomfortable to come into school to communicate it? The middle school guidance office has a private phone line where individuals can leave a confidential message about a non-academic student issue. The guidance counselor will listen to the message and determine the appropriate avenue of help. This is a great way to seek support for yourself or someone you care about. It's simple. Just call the “20-20” line (746-2020) and leave a message.

We've Got The Beat Committee:

This Fall, members of the Hopkinton Fire Department watched a demonstration of a revolutionary device that is reviving cardiac patients who might never have survived before. Concord Hospital Medical Group cardiologist, Dr. Kenneth Deloge brought the LUCAS2 Chest Compression Device to the fire station and showed them how effective this device is in providing continuous chest compressions to a person whose heart has stopped beating.

Hopkinton Fire Chief Rick Schaefer has expressed the desire to secure two LUCAS2 devices for the two vehicles that transport patients in our communities. The cost of each device is \$13,000. Concord Hospital Trust has developed a fund to help emergency medical services in the communities they serve acquire the LUCAS2. If our community can raise \$13,000, Concord Hospital Trust will match that amount. Hopkinton ambulances primarily serve Hopkinton, Contoocook and Warner.

Hopkinton Rotary Club, Woman's Club, and Lion's Club have formed the "We've Got the Beat" volunteer committee. We are working together to help raise \$13,000 towards the purchase of the LUCAS2 Chest Compression Device. We hope we can count on your support to help our community as we seek to save more lives by raising \$13,000. We'd like to receive your much-appreciated tax-deductible donation by February 29, 2012. Visit <http://tinyurl.com/3sdpzqs> to see the LUCAS2 Chest Compression System in action...it truly is a remarkable, life-saving device.

Make all checks payable to: TOWN OF HOPKINTON, LUCAS2 FUNDRAISER. Please mail donations to:
