MESSAGE FROM THE PRINCIPAL

CHRISTOPHER M. KELLEY

Good Afternoon:

The cold snowy weather has made its mark this week and it looks like we could get some more snow this weekend.

This is a busy time of year for the high school. Next week high school students will be taking Mid Term exams. I have attached the exam schedule to this week's Hawk News. It can be found on page 4 after the Community News section. High school students do not have school on Monday, Jan. 30th.

In order to take mid terms, all high school students must satisfy any financial obligations. A student who fails to do so will not be allowed to take their exams until the obligation is taken care of.

Next Friday, Jan. 27th is Middle School Night. The middle school girl's basketball team will play Kearsarge at 3:30 PM. The boy's basketball team will play Kearsarge at 5:00 PM. There will be a middle school dance Friday evening that will begin at 7:00 PM. The dance will end at 9:30 PM. Tickets for the dance will cost \$3.00 and the proceeds will go to Middle School Peer Outreach. Middle School Peer Outreach is raising money to purchase a well in Sudan.

The website for Hopkinton Middle High School has been updated. There is still some work that needs to be completed. Please visit the website. Please contact us if you have any questions regarding the website.

Have a great weekend!

THE MIDDLE SCHOOL GUIDANCE OFFICE HAS A PRIVATE PHONE LINE WHERE INDIVIDUALS CAN LEAVE A CONFIDENTIAL MESSAGE ABOUT A NON-ACADEMIC STUDENT ISSUE. THE GUIDANCE COUNSELOR WILL LISTEN TO THE MESSAGE AND DETERMINE THE APPROPRIATE AVENUE OF HELP. THIS IS A GREAT WAY TO SEEK SUPPORT FOR YOURSELF OR SOMEONE YOU CARE ABOUT. IT'S SIMPLE. We've Got The Beat Committee:

This Fall, members of the Hopkinton Fire Department watched a demonstration of a revolutionary device that is reviving cardiac patients who might never have survived before. Concord Hospital Medical Group cardiologist, Dr. Kenneth Deloge brought the LUCAS2 Chest Compression Device to the fire station and showed them how effective this device is in providing continuous chest compressions to a person whose heart has stopped beating.

Hopkinton Fire Chief Rick Schaefer has expressed the desire to secure two LUCAS2 devices for the two vehicles that transport patients in our communities. The cost of each device is \$13,000. Concord Hospital Trust has developed a fund to help emergency medical services in the communities they serve acquire the LUCAS2. If our community can raise \$13,000, Concord Hospital Trust will match that amount. Hopkinton ambulances primarily serve Hopkinton, Contoocook and Warner.

Hopkinton Rotary Club, Woman's Club, and Lion's Club have formed the "We've Got the Beat" volunteer committee. We are working together to help raise \$13,000 towards the purchase of the LUCAS2 Chest Compression Device. We hope we can count on your support to help our community as we seek to save more lives by raising \$13,000. We'd like to receive your much-appreciated tax-deductible donation by February 29, 2012. Visit <http://tinyurl.com/3sdpzqs> to see the LUCAS2 Chest Compression System in action...it truly is a remarkable, life-saving device.

Make all checks payable to: TOWN OF HOPKINTON, LUCAS2 FUNDRAISER. Please mail donations to:
