Hopkinton Youth Support Team

The Hopkinton School District in conjunction with local agencies has formed the Hopkinton Youth Support Team. This group of very dedicated individuals is made up of school personnel, parents, clergy, and other social service advocates. Their mission is “to help make tomorrow better than today for Hopkinton youth and families”. Their “wrap-around” approach to helping youth and families is innovative and provides all with a multitude of support possibilities.

With all of the stressors that families face nowadays it is nice to know that support and help is only a call away. If you know of someone who could benefit from the confidential support of this group, or if you have any questions at all, please feel free to contact Dr. Val Aubry at vaubry@hopkintonschools.org.
