

# **PRESTON R. CLARK, M.D. SCHOLARSHIP**

Given by:  
Concord Orthopaedics, P.A.  
Concord, N.H.

This scholarship is presented to an outstanding athlete-scholar who has exemplified the high ideals and goals of Dr. Preston R. Clark, who passed away December 5, 1992. He believed in setting high personal academic goals, hard work, self-discipline, good sportsmanship, and having fun! He actively followed the participation of his three children: Kelly, Julie, and Robb at Hopkinton High School both in academics and in all their athletic endeavors. Many will remember him as the doctor who calmly went out onto the hockey, soccer, and softball fields to aid an injured player. His active role with the New Hampshire Interscholastic Athletic Association enabled him to create First Aide/First Responder courses for our high school coaches throughout the state. He was senior partner and co-founder of Concord Orthopaedics, P.A. in Concord, N.H.

This scholarship, given in his memory, is granted to an athlete/scholar who is either a graduating senior at Hopkinton High School, or a post HHS graduate who is presently enrolled in a health related field of study.
