Good Morning:

It's hard to believe that Thanksgiving is this week. Here's to a short two-day week.

Rebecca and I have been discussing the current bell schedule and whether or not it is sustainable given our future enrollment and staffing concerns. We will be looking to put together a scheduling committee to look at possible schedules for 2013 / 2014. Please let Rebecca or I know if you would like to attend a meeting to discuss scheduling.

We have had 40 staff complete the survey that addresses 21<sup>st</sup> century learning expectations, core values and beliefs. Thank you for those who were able to complete this by Friday. If you have yet to complete the survey, please do so ASAP. I value your input. IA's, kitchen staff, teaching staff etc, should complete this survey. Below is the link to the survey. You should be able to click on it to access the survey. If that does not work then please copy and paste the link into your browser.

There will be no Competency Steering Committee Meeting on Monday. I have to attend the twin's parent teacher conferences. I will send out an email to reschedule.

Due to the number of lost Z Blocks this year we will run Z Block on Tuesday, Nov. 20<sup>th</sup>.

Lastly...Please know that I am thankful for the staff that I have opportunity to work with. Our students are extremely fortunate to have teachers that want and care to teach. I hope you and your families have a wonderful Thanksgiving!
