Good Afternoon:

We will meet as a faculty tomorrow morning at 7:20 AM in the Auditorium to offer dialogue and review developmentally appropriate conversation structures for our students. We will also complete a full review of our school safety protocol in place. I sent the community and the staff an outline for Monday. Please refer to that for further information.

Please remember to submit you progress report grades by the end of school on Monday.

Friday we will run a modified schedule so we may hold our annual holiday assembly.

By then end of the week Mrs. Gagnon and I will have a schedule out to staff for the January 3rd and 4th PD Days.

The last of three Budget meetings with the School Board will happen on Tuesday, Dec. 18th. The meeting will begin at 5:30.

Enjoy the rest of your afternoon...
