- 10/8 No School- Columbus Day

Good Morning!

I'm sending this out a little early I know. It was a busy week. I'd like to know how the start of this year compared to the start of last year. Did teachers like the configuration? I would also like to hear your thoughts on the revamped Collaboration Day. Please send me a quick email regarding your thoughts.

Thank you for your participation during the reflection activity and grading discussions that we had this week. I feel there is momentum in the building and I am looking forward to keep the ball rolling.

The lockers are reinstalled in the middle school and the floors are waxed. A huge thank you to Mr. Fortier and the Custodians.

We will have a fire drill next week. So please be ready.

Class meetings will not happen until the week of Sept. 10<sup>th</sup>. I will get that schedule out to staff when we return from the weekend.

I am working on the open house schedule for this September. I will finalize shortly after we get back from the long weekend and get it out to staff. I am working on addressing a few issues with the schedule we used last year.

I will start to work on the PD Page for the Kelley's Korner and will include it in the next edition.

See you all on Tuesday!

CK
