

4/2/09

Dear Staff,

Attached is a list of spring high school athletes, and below is a list of dates that they will need to be dismissed early from class. Obviously this may change somewhat due to the weather, and I will try to use the announcements in the office to keep you informed of changes. Finally, these students realize that they are responsible for work missed from your class and should find time to make up what they missed. Thanks for your support.

Dan
